

2017—2018 SPORTS

Once again, we are proud to offer a variety of after-school athletic opportunities for your child. We participate in the Tri-County Athletic Association which means we compete with a variety of private and public schools in our area. The CCA sports program is open to all eligible students in **grades 5-8**. To meet eligibility, your child must maintain at least a "C" grade in every subject, have on file a sports physical that is valid for the duration of the sport that they are participating in (the sport physicals are valid for 2 years), a 2017—2018 Power of Attorney/Health Information form, 2017-2018 Concussion form and pay a participation fee of \$80.00 for each sport, payable before participation in a particular sport.

IMPORTANT NOTES about

If your child is planning on playing fall sports please complete this form and return it to the CCA office ASAP, along with your \$80.00 sports fee. This will enable us to have an estimate of the number of participants for each fall sport. This will help us tremendously in our planning process.

Reminder: Students planning to participate in a fall sport (or any sport this school year) must have the following **before** they will be eligible to practice.

- ♦ Sports physical on file in the office (Physical exams for **Fall** sports, need to be dated December 1, 2016 or later to be valid for the Fall sports. Some parents have had great success with the walk-in clinics and found them to be fast and reasonably priced.)

- ♦ Concussion form for the 2017—2018 school year
