February 22, 2019

Dear Room 309 Parents:

Next week in Bible, the **memory verse will be John 12:24-25**. In U.S. History, we will be taking an essay test on Wednesday over Chapters 15-16. Students were given the questions today and can choose five to answer for the test. They are allowed to bring **one** 3x5 index card with notes **on one side** to assist them with the test. Next week they will also be given materials to help them prepare for the states and capitals test. The date for that will be announced next week.

And now comes a fun date for you to mark on your calendars - the date for our **eighth grade promotion ceremony!** It will be **the evening of Tuesday, June 4th**. More information will be coming as we get closer, but for now, I'm asking you to save the date! *****This is also your eighth grader's last day of school. They do NOT come back to campus the rest of the week. *****

Please take note of emails and papers coming home that give updated information on our campus auction and raffle.

We are at the time of the school year when students are running out of supplies. I have a lot of students who are out of paper or pencils - or both! Please check with your child to see if he/she needs school supplies.

God Bless -

Dianne Baldwin
*Eighth grade homeroom
Bible, history, and math*
