March 8, 2019

Dear Room 309 Parents:

Next week in Bible, we will be learning a little more about Passover since we are at the point in our study of the book of John where Jesus is about to be crucified during Passover. In U.S. History, we will be learning about World War I, and students need to be studying for **the States and Capitals quiz, which will be on Wednesday, March 27th**. They received one colored map to help them study, but if they lose it, I can't replace it, so please encourage your child to take good care of it. :) **Most of the preparation for this quiz needs to be done outside of class - we only spend a small amount of time practicing in class.**

While I don't have much classroom "news" for you now, pretty soon things will heat up for eighth grade. There will be a lot of "end of year" things to do and information you'll need, so it will become especially important for you to read the newsletter!

And now comes a fun date for you to mark on your calendars - the date for our **eighth grade promotion ceremony!** It will be **the evening of Tuesday, June 4th**. More information will be coming as we get closer, but for now, I'm asking you to save the date! ****This is also your eighth grader's last day of school. They do NOT come back to campus the rest of the week. ****

Please take note of emails and papers coming home that give updated information on our campus auction and raffle.

God Bless -

Dianne Baldwin
Eighth grade homeroom
Bible, history, and math
