

# 8th Grade Promotion Ceremony

June 5<sup>th</sup>, 2018 7pm

Eighth Grade Families,

Can you believe it is already May? It's time to think and plan for our end-of-the year promotion ceremony. First of all, I would like to say this event is special, but not meant to be an overly formal occasion. This is a chance for students to look nice, but, at the same time, this is not a high school prom! Students are not expected to purchase new clothes.

The following information will hopefully give you a better idea of what your student needs to wear. While it may seem premature to talk about this three weeks in advance, it can be helpful to plan ahead and give families a chance to shop.

- Guys are to wear dress pants, a button-down dress shirt, and a nice tie. If they have a suit jacket, they can certainly wear it, but it is not a requirement.
- Girls should wear a nice dress within dress code, which means appropriate in length, shoulders covered, with a modest neckline, please avoid clingy or tight materials.

Please feel free to contact us with any questions. We look forward to this very special event!

Thank you!

*Mrs. Bell and Mrs. DeLeon*
