

Beers Bulletin

Math

We have started chapter 8 and are learning how to read clocks and calendars in more detail!

Reading

Students are continuing to read with their groups and are doing awesome. Individually students read and answer comprehension questions for a leveled book. We also meet with our kindergarten buddies every Friday.

Writing:

This week we wrote love letters to our parents. Discussing the structure of a letter.

Science:

We are continuing to collect shoe boxes so students have choices when creating their habitat. The more we have the more choices students will get when they begin to build their habitat. If you have one to spare please send it in.

Art

This week we decorated our Valentine's bags. Watching the students express their creativity is always lots of fun!

Bible: Isaiah 60:1 Arise, shine, for your light has come, and the glory of the Lord has risen upon you.

Olympia Jr. Program

Our first OJP for the year is next week and we are so excited. On Thursday we will be seeing The Adventures of Bella and Harry.

Dates to remember...
