

Beers Bulletin

Math

The kids have been loving learning about fractions! Next week we will finish up the chapter. This week we also learned how to find the perimeter of a shape.

Reading

Students are continuing to read with their groups and are doing awesome. Individually students read and answer comprehension questions for a leveled book. We also meet with our kindergarten buddies every Friday.

Writing:

We are doing a non-fiction unit where students will write stories about a character that they have created. This week we completed our second drafts, and we will have published our first story by spring break!

Science:

Our STEAM projects are in full production! The kids have been bringing in materials to build their habitats.

Cursive:

The kids have worked so hard on their cursive this year. Continuing to perfect our hand writing and connections in words.

Bible: 1 John 1:9

If we confess our sins he is faithful and just to forgive our sins and cleanse us from all unrighteousness.

Dates to remember...

- Bricks 4 Kidz- 3/28
- Rapunzel performance- 3/28, 6:00
- Passport- 3/29
- Spring Break- 3/30-4/6
- Nerf Night @5:30- 4/13
- Spring Conferences and Half days- 4/17-19
- No School- 4/20
- Spring Picture- 4/24
