

Beers Bulletin

Math

We are continuing our Everyday Math where students will be introduced to a variety of Math concepts. We finished chapter 1 this week and took our test! Next week we will be starting chapter 2, learning about place value and rounding!

Reading

This week we met our reading buddies and started reading groups. Groups are 3-5 people and they all read the same book. We also have Kindergarten buddies we got to meet last week. We have begun reading at varied levels.

Social Studies:

This week we finished our unit on Christopher Columbus and took our quiz. The kids are experts now so be sure to ask them about him.

Writing:

This week we continued learning about the writing process. We practiced writing first drafts, editing our writing and publishing our final draft.

Cursive:

Our cursive is looking better and better! This week we learned how to write the letters u, y, i, and j.

Bible: Aspen on 9/26

Isiah 6:8, and I heard a voice from the Lord saying "whom shall I send and who will go for us?" Then I said "Here I am! Send me."

Dates to remember...

- Passport- 9/27
