

Beers Bulletin

Math

We are continuing our Everyday Math where students will be introduced to a variety of Math concepts We have started chapter 2, learning about place value and rounding!

Reading

All students have a reading buddy and a reading group to practice their reading skills with. Groups are 3-5 people and they all read the same book. We also have Kindergarten buddies and third grade reading partners. We have begun reading at varied levels.

Science

We just started learning about pollination and pollinators. This week we learned about bees and butterflies!

Field Trip!

On October 5th we are going to the Schilter's Family Farm with our kindergarten buddies! We will get to meet the animals, play in a hay maze and pick out a pumpkin. Any parents that want to come are invited but must pass the background check with the office. Information is attached.

Bible: Teagan on 10/3

Luke 6:40, A disciple is not above his teacher, but everyone when he is fully trained will be like his teacher.

(Because of an abnormal chapel last week Aspen will be saying last week's verse on Wednesday)
