

Beers Bulletin

Math

We are continuing our Everyday Math. Our November focus is on memorizing addition and subtraction facts. Next week we will start Chapter 4. In Chapter 4 we will be learning about data, specifically charts and tables.

Reading

Every week we read with groups, with partners and individually. In groups and partner reading we get to practice reading out loud, comprehension and team work. Individually students read and answer comprehension questions for a leveled book.

Writing:

This week we published our compare and contrast papers. We also started learning about apostrophes and how we use them.

Social Studies:

This week we started learning about Pocahontas!

Operation Christmas Child:

We are in full swing with two weeks down and one 1/2 to go. Every shoebox needs a \$9 donation to cover critical shipping and ministry costs. If you make this donation online, you can

Follow Your Box and receive a tracking label.

Bible: (Marshall 11/7)

1 John 4:7-8 Beloved, let us love one another, for love is from God, and whoever loves has been born of God and knows God. Anyone who does not love does not know God, because God is love.

Dates to remember...
