

# Beers Bulletin

## Math

We are continuing our Everyday Math. Our November-December unit focuses on memorizing addition and subtraction facts. We are working through Chapter 4 learning about collecting data through charts and tables.

## Reading

Every week we read with groups, with partners and individually. This week we started class reading with the 4<sup>th</sup> graders. In the next few weeks students will be placed in 3<sup>rd</sup>/4<sup>th</sup> groups to discuss the book. Individually students are reading and answering comprehension questions for a leveled book.

## Writing:

This week we wrote letters to Veterans. We published the letters on nice paper with a picture and these projects were displayed in the gym at the assembly!

## Social Studies:

We finished learning about Pocahontas this week!

## Operation Christmas Child:

We only have one week left! Every shoebox needs a \$9 donation to cover critical shipping and ministry costs. If

you make this donation online, you can Follow Your Box and receive a tracking label.

## Bible Verse: Hazel on (11/14)

John 3:3, Jesus answered him, "Truly, I say to you, unless one is born again he cannot see the kingdom of heaven."

## Dates to remember...
