

Beers Bulletin

Math

We are continuing our Everyday Math. Our November-December unit focuses on memorizing addition and subtraction facts. Next week we are starting chapter 5 learning about adding, subtracting, rounding and ordering four digit numbers!

Reading

All our groups finished their books this week! Next week we will begin on our first book reports. We also finished the book we have been reading with 4th grade. Next week we will begin reading the Incredible Ivan. Individually read and answer comprehension questions for a leveled book.

Writing:

This week we worked on our All About me writing and wrote thank you letters!

Art:

This week we did art in our classroom and in the 4th grade classroom. Our thanksgiving projects turned out great and I hope you are enjoying them at home.

Science:

Next week we will begin learning about the solar system and the wonders of outer space.

Bible: (Brielle 11/28)

Luke 8:15, As for that in the good soil, they are those who, hearing the word, hold it fast in an honest and good heart and bear fruit with patience.
