

Beers Bulletin

Math

We are continuing our Everyday Math. Our November-December unit focuses on memorizing addition and subtraction facts. We are working through chapter 5 and will be taking our math test next week.

Reading

Every week we read with groups, with partners and individually. We have also been reading with the 4th graders. We finished Phantom Toll Booth a couple weeks ago and will finish The One and Only Ivan next week.

Art:

As we get excited for Christmas we have been doing more art! This week we got to work on two art projects during Fabulous Friday. We also made big snowflakes with the 4th graders to decorate our hall.

Writing:

This week students published their first book reports! I am so impressed by all of them.

Science:

We have been learning about the Solar System! This week we focused on the Sun and Mercury.

Bible: Hazel on 12/12

Luke 19:10, "For the Son of Man came to seek and save the lost."

Dates to remember...
