## A NEWSLETTER FOR CCA 5TH AND 6TH GRADE

Some news on our Challenger Trip . . . . As you know both classes were scheduled for our trip to the Challenger Center at the Museum of Flight in Seattle. We scheduled this trip early in the year when our numbers between our two classes were lower. Since that time we have been blessed with three new students. Unfortunately, this put our numbers over the maximum number of students we could take on our mission. Therefore, we have made the decision to go ahead and take the 6th Grade on 1/18 as scheduled and schedule a separate mission for 5th grade sometime in the spring. They will complete the same mission as the 6th grade class. This will also give time for more mission prep for the 5th grade. Thanks for your understanding.

Please consider sending your child to homework club. It is available Monday, Tuesday and Thursday 3:15-3:45 in the sixth grade room.

<p>Notes from Mrs. Thiel</p> <p>Social Studies- Group B begins Social Studies Monday. We will be studying Native American cultures and memorizing Presidents 1-20.</p> <p>Next Week at-a-glance: Monday: math corrections due (lessons 44, 45) Tuesday: Romans 8:16-17 test Wednesday: Vocab test 7 Thursday: Friday: Reading Log Due, Spelling Test 12</p>	<p>Notes from Mr. G</p> <p>Our next field trip is on 1/18 as we travel to the Challenger Center at the Museum of Flight.
