## A NEWSLETTER FOR CCA 5TH AND 6TH GRADE

We have begun collecting items for class baskets. These will be for the annual dinner auction held in March. 5th Grade's theme is **outdoor family** fun and 6th grade's is **Dogs and Cats**. Donated items can be brought to the classroom or dropped off at the office.

Please consider sending your child to homework club. It is available Monday, Tuesday and Thursday 3:15-3:45 in the sixth grade room.

### Notes from Mrs. Thiel

The girls reviewed the dress code this week. Please make sure all attire follows the guidelines.

*Social Studies students took their test today. Tuesday the groups will switch. Group A will begin Social Studies with a unit on the Civil War.*

Verse tests are always on Tuesdays. Please make sure your child comes prepared!

#### Next Week at-a-glance:

Monday: math corrections due (lessons 57, 58, 59, 60), Homework Club

Tuesday: Ephesians 2: 8-10 test, Literature circle meetings (blended), Math test, Homework Club

Wednesday: Vocab test 9

Thursday:

Friday: Spelling test 16; NO Reading Logs (to allow more time for Literature assignments)

### Notes from Mr. G

After a mostly good week, we had some very rough behavior on Friday. Some of the biggest issues are: boys slamming each other into the locker or wall; being disrespectful to playground supervisors; and talking over others in the classroom during instruction time. I will be contacting parents of those who need some reminders about good behavior.

Please make sure your child is keeping up on their **literature study group work**, both their reading and homework pages. They should be working on them all of the next three weekends. This is their last weekly meeting on Tuesday.

#### Next week:

Memory Test (2/9)

Math Test (2/8)

Spelling Test (2/9)

Grammar Test (2/8)

### Stewardship Opportunity

We need a few parents to volunteer as ushers for the Junior Program. We are attending on March 19, 9:15-11:30 am. See email for more information.
