Notes from Mr. G

A busy week coming up again. Thursday and Friday we are gone overnight to Black Lake Bible Camp. **Check today's Friday Folder or Edmodo for a camp information sheet with all you need to know about the retreat.** We are leaving for camp at 9am on Thursday and returning at 2 pm Friday. We still need chaperones to drive the vans and stay over on Thursday night.

We have literature study groups again on Thursday. Thanks for supporting homework for these groups during the last two weeks. There is extra credit math homework over the weekend. Check your child's planner and Edmodo for more details.

Check out ID tech Camps this summer for your child. www.idtechcamps.com

Our kids did a great job last night at the spring musical. Thanks for all of you who came and showed your support.
