## **Notes from Mr. G**

### 6th Grade

Things are starting to return to normal as we get back into the routine of school. **Google Classroom** is now up to date again. We are working on staying organized and are checking binders on a regular basis this time of year. Remember that everything needs to be three hole punched in their planner!

Don't forget to return the signed **report card envelope** this week.

**Raffle tickets sales - Earn 1 ticket to be entered into a raffle for a \$1,000 tuition discount for the 2019-2020 school year for every \$100 worth of donation items brought into the auction. We are waiting to hear from the office when the new due date for these will be.**

There is a **Vocabulary quiz on Monday** over Lesson 10. . . . the **next math test** is on 3/1 . . . . We have started a new story in Reading with a test over the reading on 3/1 . . . . We are in spelling lesson 20 this coming week . . . . Students are beginning to do verses at chapel again for the new semester. This coming week it will be Bella and Brent. . . . Science is working with **microscopes** this week looking at plant and animal cells. I have scheduled a visit from the **Museum of Flight** in Seattle. They will be coming to our campus and doing a robotics lab with both 5th and 6th grade for two hours each. A date will be announced soon.

**Have a blessed weekend! Mr. Gordenier**
