**Science:** Owls

The school auction is a few short weeks away. Please plan on attending March 24<sup>th</sup>. It's a great way to help the campus out. Thanks to those who have generously donated to the class basket. We are planning a special class project to go along with our basket, and I am going to need your help. I am asking for every family to PLEASE, PLEASE, PLEASE share 3 favorite family recipes that we could use to make a little chef's limited edition cookbook for the auction. Students will illustrate the recipes on March 7<sup>th</sup>, so please send the recipes in before then. Thanks for helping to make this a success! {Thanks to Mrs. Kearns, Jacob's mom, for this fun idea!}

On Friday we will be dissecting owl pellets; have your student tell you a little about them if you aren't sure what they are. Each student will work with a partner to see what they can find. This is not scary, but perhaps gross to some. Please encourage your student to give it a try. Also, students will wear special latex free gloves for this special activity. If you have concerns please let me know.

### Bible Memory Verse

On the day I  
called, you  
answered me;  
my strength of  
soul you  
increased.  
-Psalm 138:3
