Math: 3 digit subtraction

Science: weather

Social Studies: pioneer days

Thank you for coming out to the STEAM fair! The students worked hard and designed some pretty cool bone slingers. The other projects were great to see also. We appreciate your support!

Thanks to the parents who chaperoned for our trip to Pioneer Farms! What a blessing it is to have such great help to make this field trip a success!

On Monday, April 30th we will be planting in our raised flower bed outside of the downstairs glass doors. If your child would like to bring garden tools, gloves, and a flower to plant they may do so. We will start planting at 2 pm. You are welcome to join us.

Remember how this awesome 2nd grade class WON the raffle ticket sales contest for the auction? We are ready to enjoy the reward. We will be going to Charlie Safari on Friday, May 4th. Students will enjoy time to play and pizza for lunch! We will leave at 10:45 am and return around 1:15pm. Would you be able to drive a van? Would you like to help chaperone? We will need a few adults to make this a safe and fun time!

Have a wonderful weekend!

Bible Memory Verse

When he saw the crowds, he had compassion for them, because they were harassed and helpless, like sheep without a shepherd.

-Matthew 9:36
