Math: multiplication facts

Science: weather/ seasons

Congratulations to Zoe, Lazarus, and Ethan. They did an outstanding job representing 2nd grade in the school spelling bee.

For the next few weeks, I am giving the students a chance to teach a lesson to the entire class. Many have signed up to do this with a partner. It will be a fun time for them to share their creativity.

On Friday, June 1st we will be celebrating Father's Day with a breakfast from 7-8 a.m. in the cafeteria. Dads (grandpas, or other special substitutes) are encouraged to attend so we may honor you and the important role you play in the life of your child.

June 8th is right around the corner. We will be having our annual field day. There are many fun stations and special activities planned. We need lots of volunteers to make this happen. If you are able to help, please let the office know as soon as possible.

Enjoy your 3 day weekend; wishing you relaxation and special memory making moments!

Bible Memory Verse

Therefore
encourage one
another and build
one another up, just
as you are doing.

1 Thessalonians 5:11
