December 13, 2017

Dear CCA & NCHS Parents,

2017 has certainly been a year of change and growth for the CCA/NCHS family. As many of you are aware, we have experienced significant change in our administrative structure. We close this calendar year with both a new K-8 principal who assumed her responsibilities in March and a new superintendent who began in July. Our new school board met for the first time in October and will be meeting monthly throughout the year. We are also excited and honored to see the participation of a new parent advisory group at the K-8 level who began in April. Lots of great ideas are rising from this group of dedicated parents. Kari Meier has faithfully served as our CCA office manager since 1999 and will be retiring this month. Michelle Ruffier, who has been here since 2002, will be assuming the role of office manager effective January 1.

As we close out 2017, I want to specifically focus on a group of individuals I am excited to serve alongside, our school board. Our board chair is Jenna Kearns. Jenna has been active in CCA for some time and serves on the board of Northwest Nazarene University. Vice-chair is Elliott Hedin, whose experience as a public-school administrator has already proved to be an asset to the board. Our board secretary is Michael Montgomery. As an attorney, Michael is able to advise the board in matters related to the law. Mike Michael is a well-respected member of the business community and is our treasurer. Ben Phillips also serves as a member of the board and brings a unique perspective as a teacher, pastor, and parent.

The CCA/NCHS school board meets the second Monday of every month. While the meetings are generally open only to board members, agendas and minutes of each meeting will be made available through both the CCA and NCHS offices. We also plan to have several open meetings throughout the year that parents are invited to attend. Our first open meeting will be the February 12 board meeting. More details regarding this meeting will be available after the first of the year.

Change is a funny thing. Even when change is positive and creates growth, it can sometimes leave us feeling uneasy. In the face of change we can be left with uncertainties as to the direction for the future. However, we can rest assured that while we don't know what the future holds, we know the One who holds the future. It is reassuring to know that nothing about our many changes surprises Him.

Finally, from all of us here at Northwest Christian Private Schools we want to wish you a very Merry Christmas and a Happy New Year! Please join me in praying for God's blessing and direction on Community Christian Academy and Northwest Christian High School and its families. The best is yet to come!

In His Service,

Dave Rehnberg
Superintendent
