August 6, 2018,

Dear CCA and NCHS families,

Over the last couple of years Community Christian Preschool and Daycare, Community Christian Academy and Northwest Christian High School have all operated under the banner of Northwest Christian Private Schools. Historically, the three schools have operated independently; few were even aware of the banner name. After conducting parent surveys and meeting with our stakeholder groups, it became clear the majority of our constituents desired a closer relationship between the three schools. The administrative team and school board also saw great benefit in uniting the three schools on campus.

We are, therefore, pleased to announce that Northwest Christian Private Schools is becoming Northwest Christian Schools of Lacey (NCS). Rallying around the Northwest Christian Schools name:

- Community Christian Preschool and Daycare will become Northwest Christian Preschool and Daycare (NCP)
- Community Christian Academy will become Northwest Christian Academy (NCA)
- Northwest Christian High School (NCHS) will retain its current name.

In coming weeks and months, there will be a number of changes coming to school signage, our website and Facebook pages, letterhead, business cards, etc. We will have a single mission, vision and set of core value statements that will unite the three schools on campus. While it may at times feel like everything is changing, please be assured it is our intent to honor our past and build on those things that have historically been our strengths, while building a strong future together. Most importantly, Community Christian Academy and Northwest Christian High School are schools that have been dedicated to God and to the promotion of an understanding of the world around us from a biblical perspective. That has not and will not change!

In His Service,

Dave Rehnberg
Superintendent
