Dear Northwest Christian Schools of Lacey Parents,

I trust the second semester of this school year has started out wonderfully for you and your children. I'd like to take this opportunity to invite you to join our school board for our first open meeting of the year Monday, February 11th at 5:30 in the NCA chapel. This is your chance to meet the members of our school board, be updated on things happening at the school, and hear about some of the things we will be working on in the future.

There will be an opportunity for those with comments or questions to address those thoughts to the school board. To honor the time of all of those attending, we ask that you plan on limiting your comments to a maximum of three minutes. We want to ensure that all who desire to speak have a chance to do so. There will be sign-up sheet at the door of the chapel in advance of the meeting for those wishing to speak. Please be sure to indicate your desire to address the board prior to taking your seat in the chapel. We will be closing sign-ups at the beginning of the meeting and making the information available to the board in order to gage our time once the meeting has started.

For parents of K-8 students, complementary child care will be available should you have that need.

We are excited about the things God is doing here on campus. We look forward to this opportunity to share with our parents.

In His Service,

Dave Rehnberg
Superintendent
