

GIBSON'S GRADE 2

01/25/18

HAPPY FRIDAY!

Have a great weekend.

Auction Basket. I have posted a sign-up list for basket auction items on our Class Dojo story. Please reply in the comments to claim an item that you'll bring by **Friday, February 8**. Thanks!

Raffle Ahead of Benefit Auction. Information regarding the raffle dinner went home last week. I hope you are already having success selling tickets! Thank you in advance for being a part of this incredible fundraiser for our campus and its' programs! Please let me know if you need any clarification about the raffle or auction.

Kindness Challenge. Did you know that along with Valentine's Day, many schools around the world celebrate Random Acts of Kindness? 2nd grade began a kindness challenge this week – see the Dojo for photos of the kiddos' Kindness Slogan Posters! Next week we'll tackle "Words of Life" and encouragement. I'll be posting photos of our activities. 2nd grade will be sharing their kind acts, as well as the lessons they learned, at NCA Chapel on 2/20.

Next week. We'll have a Math test on Tuesday on types of measurement. See the attached guide about the types of measurement and their units that we have studied. This weekend is a great opportunity to practice these in real life with your kiddos! We'll be studying folktales from around the world in Language Arts. Science is all about this amazing Earth that God created and how to care for it well (natural resources/conservation).

Looking ahead. Please mark your calendars for these important dates in January and February:

January 31 – Passport Testing

February 1 – Professional Development Day – No School for Students

February 9 – Daddy/Daughter Dance

Next Week's Memory Verse

"and to knowledge, self-control; and to self-control, perseverance;
and to perseverance, godliness;"

2 Peter 1:6

(verses 7-8 are coming in subsequent weeks)
