Next week. We'll move from reading 3-digit numbers to adding and subtracting them in Math. In Science we'll continue with Earth Science, complete the 3R's and moving into how the Earth moves. Bible will continue our Kindness Challenge, spreading kindness to other classrooms and our home as well. In Reading we'll focus on Fairy Tales! The stories we'll use will connect back to our last Science unit on volcanoes, and to our upcoming focus on dinosaurs. Lots of fun ahead!
