

Dear Parents,

It was nice to have all five days of school this week and get back into our normal routine. A few of the highlights this week were the Reptile Man assembly, and the Olympia Junior Program play we went to see on Wednesday. We learned a lot of things about London during the play! Next week, Friday, March 9 we will be going to the Hands on Children's Museum from 9-12. I only

have one parent signed up and need at least 5-6 more to join us on the trip. Please sign up on the list posted on the classroom door if you are able to join us.

In Language Arts this week we had a lot of reading practice, learned about the life cycle of a frog, found out what a pronoun was and practiced finding them in sentences, and learned about how to check our writing using a checklist. During math we worked on higher numbers 40-70 and place value. In Bible this week we learned about baptism and how it takes God's power to wash away our sins, we cannot do it on our own. We also learned about the Trinity by using the shamrock.

Memory for Friday, March 9

John 13:35

By this everyone will know that you are my disciples, if you love one another.

Please let me know if your child would like to say the memory verse in chapel.
