

Dear Parents,

Thank you to those of you who helped chaperone our field trip today! The students had a great time!

This week in class we learned about Jesus choosing his twelve disciples and how we can be disciples too! In grammar we learned about prepositions and reviewed nouns, adjectives, verbs and pronouns. In math we worked on numbers to 100 and reviewed telling time. During

social studies we continued working on map skills, and during reading we worked on writing using sequence words, blending, and fine tuning our reading skills! We have also been working on completing our projects for the STEAM fair. We have one more project to do next week and we will have them complete!

There are a lot of important papers in your child's folder today. Please take the time to look through them all.

Memory for Friday, March 16

Psalm 111:4
He has caused his wonders to be remembered; the Lord is gracious and compassionate.

Please let me know if your child would like to say the memory verse in chapel.
