

Dear Parents,

Wow! Time is flying and I only have one more week with your precious children! This class has really grown and it is bittersweet to look toward the end of the year.

- If you have your child's take home reading bag at home please return it to school next week. We have collected almost all of them. Thank you for your help!
- If your child still has a library book at home, please send it back to school on Monday. We still have several books that are missing!
- Make sure to check the ABC Countdown calendar for next week's activities. Tuesday is water day which means you need to please send a change of clothes and shoes to school with your child if they are going to participate in water events. Your child may also bring water guns or water balls to school that day.
- Please make room in your schedule if possible to be here the morning of June 7 at 8:00 for our special awards time in the classroom! If you are a parent that worked in the classroom each week, or you are a room mom, please try to be in attendance as well.
- Next Thursday at 9:30 AM will be our all school award assembly. Please be aware that not all children are receiving awards during this assembly. The specialty awards as well as Passport awards will be handed out that morning.
- Parent helpers are still needed for our Field Day next Friday! Please let the office know if you are able to help!

Have a blessed weekend!

Mrs. Gordenier
