

Groovy News!

- This week was a wild one! Wow! We had a great literacy story for the week titled Pumpkin Town in which we learned about inferencing. We learned that it is almost like predicting and had fun with inferring lots of different things using different scenarios.
- In math this week we worked on measurement with all different kinds of units: paper clips, unifix cubes, and rulers. We also discussed liquid measurement as well.
- During science this week we worked on our estimating skills as we estimated how tall a pumpkin was, the circumference of a pumpkin, and if a pumpkin floated.
- We also had some fun with different relays, and we made some pumpkin spice cloud dough that we had a chance to play with.
- Operation Christmas Child boxes are due in a few weeks. Our classroom goal is 21.

Bible Verse

Joshua 3:9
Joshua said to the Israelites,
"Come here and listen to the
words of the Lord your God."

(Each student will say their Bible verse to me next Friday, November 9.) Our friend Julia will have the opportunity to say the verse in chapel next week.

Book-It

Congratulations to all my friends who earned their pizza certificate this week for turning in Book-It. October Book-It was due today, and November Book-It is in your child's folder today.
