

Groovy News!

- This was an amazing week with our literacy unit! We read an informational book titled Reindeers and we wrote and illustrated our first books! The students were so excited and did an amazing job! They are in the process of being published right now.
- During math time we learned all about time and clocks and practiced telling time to the hour.
- The story of David and Goliath was what we talked about during Bible time. We learned that when we have God on our side, we can do anything!
- We have begun working on Christmas art projects to help decorate the classroom as well as Christmas gifts. Hopefully next week we will be able to have some of the festive things hanging.
- During the next two weeks we will be working on a Christmas Around the World unit, so we will not have any vocabulary words as there will not be a literacy story.

Parent Helpers

During the month of December, we will be working on many different projects and gifts. Parent helpers may have the month off and we will begin again in the new year. Thank you for all the love and care you have shown!

Bible Verse

Proverbs 17:17

A friend loves at all times.

(Each student will say this Bible verse to me on Friday, December 7.)

Book-It

November Book-It was due today. I will accept them on Monday if it was forgotten today. The new Book-It log for December is in your child's folder. December Book-It is due on Friday, January 4.

Celebration of Jesus' Birth & gift exchange

On Friday, December 14 during our Polar Express party we will be having our gift exchange. The students that would like to participate may bring in a wrapped toy for the classroom. It can be anything your child would like to see on our shelves to play with. Need ideas? Please ask Miss May or myself. If a student brings a wrapped gift he/she will be able to unwrap a gift during our game and then the toys will head to the toys shelves! You may send the gifts in as early as next week. Please put a label on the gift with To: the classroom From: your child's name
