

Groovy News!

Kindergarten
Mrs. Gordenier
January 31, 2019

Thank you so much for all the prayers and kind words this week as I have not been feeling well. I went to the Dr. last night and finally have some medication that will hopefully lead me on the road to recovery! This week in literacy we read a great book in which the main theme was don't be scared to be yourself! We, of course, tied in how God created us just the way we are for a purpose. We are learning about proper nouns in grammar and are continuing to learn how to write a super sentence (one that is more descriptive) in writing. In science this week we learned all about matter (solids, liquids, gases, molecules....). During Bible time we learned about how important it is to listen to God while we talked about Jonah. We learned a new game during math this week called Smash It as we began to learn about the concept of subtraction. We are also learning about/reviewing coins. During phonics we are beginning to read and write using our phonograms and we began with /th/ this week! The students are becoming great readers and writers!

Parent Helpers

Monday, Tuesday, Thursday mornings would be great to have some parents next week! Thank you!

Valentine's Day

We will be showing our love for each other this year on Feb. 14. Thank you to everyone who signed up and for those that have already sent things in! I am also asking that each student bring in a treat or card for each friend to hand out that day. We have 21 students total in class.
