WELCOME BACK

When you walked into our school this fall, you may have noticed a few visual changes. We are thankful for the hands and hearts that have helped us this summer to make further updates on our campus.

In addition to new paint and lots of organizing, we have looked at important policies and

procedures as we continue to reflect, research, and revise. We encourage you to become familiar with our Parent Student Handbook which can be found on our website.

It is very exciting that we also have new students, families, and staff joining us this year. When you see a new face, please be

sure to welcome them to CCA!

There is new paint, new policies, new faces, and more, but a *school* is about the *children*.

Our teachers have prepared their hearts to serve your children. We are **STRONG, SETTLED, FOCUSED,** and **READY** to have a great 2017-18 school year! *-Kim DeLeon*
