## Happy New Year!

Happy 2019!

It is so exciting to start off the year with your families. There is something so refreshing about a new year, as if overnight we have an opportunity to start fresh. I think many of us find ourselves pausing to determine what we've done well and what we want to do better.

A couple of years ago I decided to stop making New Year's resolutions. Instead, I decided to try to live my life to its best each day, knowing that I would often fail but when I did I reminded myself that,

“ Because of the Lord's great love we are not consumed,  
for his compassions never fail.  
They are new every morning;  
great is your faithfulness.” Lamentations 3:22-23

Whether you're starting off this year excited and refreshed or worn and weary I hope the truth of the Lord's great love and faithfulness brings a new refreshment to you. There is no doubt that 2019 will bring new joys and challenges, thankfully we are partnering through them together. We are eager for all that's ahead!

In Him,

*Ann Bell*
