February 2019

NCA Families,

Life is such a journey! It is full of the moments that fill our hearts with love and also the moments that make our hearts physically hurt with sadness. I know that each family will celebrate joys this year and also endure hardships and heartaches. It is a true journey that we all travel!

Life puts us all together in random and planned moments. As a community, let us remember that we are not aware of all that is happening in the lives of those we interact with. If we knew, it may provide understanding or a perspective we did not see before. There are those in our own NCA family that are battling diseases, a loss in their family, financial hardships, experiencing a deployed spouse, and more. It is a simple smile, hug, note of encouragement, or act of service that can lift someone up around you. It is also how we can model love to those watching us and learning from our actions.

I share this to remind myself and all in our community, let's celebrate the moments of joy together, let's support one another, and "assume the best" because we don't know all that one may be going through. I love this community and this school and am so thankful to be part of NCA.

In His grip,

Kim DeLeon

Principal
