

Dear Parents,

20 October 2017

Just a reminder, if you have not signed up for **parent/teacher conferences**, they are next week. Slots are filling up. We will be taking about goals for this year. Also remember, during conferences it will be a half day schedule.

In our Friday folder there is the Boys Basketball sign up form. If your son wishes to play this season, please have all paperwork and fee turned into the office. The Girls season is after the first of the year.

The Junior High will be taking a field trip on the 20<sup>th</sup> of November to the Flight Museum at Boeing field. I am asking for 5 volunteer chaperons for the field trip. We will leave about 8AM and return about 2:45PM. Students and chaperons need to bring a lunch or purchase it at the café. The prices are a little high at the café. We will have a place to eat lunch not in the café and a scheduled time. If you wish to volunteer as a chaperon, please email me. I often have more volunteers than slots available so I will take the order of volunteers as they come to me by email.

I will be working the Bouncy House for this year's carnival. If you would like to get some stewardship hours, please go to the web site: [signupgenius.com](http://signupgenius.com). Then find the magnifying glass in the upper right of the site and click on it. On the next page type in [cca@foundationcampus.org](mailto:cca@foundationcampus.org) on the left side to be connected to our site. You will find several areas that you can volunteer in.

This next week:

**Math 87 and Algebra 1:** both classes have a math test on Thursday the 26<sup>th</sup> of October.

**Life Science:** We have Chapter 3 test on Wednesday the 25<sup>th</sup> of October

**Language Arts:** Wordly wise test is on Tuesday the 24<sup>th</sup> of October.

If you need to contact me, you can call, (360) 493-2223 or if you would like me to email you a copy contact me at [dorgeron@foundationcampus.org](mailto:dorgeron@foundationcampus.org).

God Bless,  
Mr. Danny Orgeron
