Hello Parents/Guardians

Now that we are a full week back from our Christmas break, here are some of the upcoming events happening here at CCA.

Field trips: On the 8th of February the Junior High will be going to the Pacific Science Center. I am in need of four (4) chaperons for this field trip.

Our second field trip is on that is for students who have all C's or above. It is a reward and educational trip to the Mainers baseball game on the 16th of May. I need two (2) chaperons for this field trip. This field trip starts about 8:30 to about 5:30 depending on traffic. If you would like to be a chaperone for either field trip please email me so I can put you on the list.

This year's basket for the CCA Auction for my class is "BBQ". If it is possible and you would like to donate to the auction basket, please drop off donations with me or at the office. I have Procurement Form that you can fill out for your tax deduction. (Office has them also).

Open house is another event happening soon. If you know a family that may be interested in our school, please pass on the flyer in your Friday folder from this week. They may also call the school with questions.
