

Dear Parents/guardians

21 February 2019

This is another week coming to an end. Just a reminder that as the school year progresses, supplies are being used up. Please check your child for the needed supplies for each class. Students are coming to class without paper, writing materials, and sometimes no text book. It is difficult to be successful if you do not have the proper tools.

If you are going to contribute to our "Class Basket" "**Date Night**", you still have time. Please bring any donations to my class room so I can prepare the items to be placed in our basket. If you still have tickets to the raffle or have sold the tickets, please contact the office with either item you have so everything can be collected.

**Report cards** went out before the winter storm, if you have not seen it please ask your child where it is. They were given out in the Friday folder/in hand on the last day before the storm.

**Candy Problem:** In the Junior High we have had a large amount of candy showing up in the classroom which is causing a problem with distractions. We have discussed this with Mrs. DeLeon and Mrs. Bell. The result is students are not to bring large amounts of candy to school. Students who do so will be sent to the office. Candy only increases the off task of students in class and tempts students to want more than they need.

**Upcoming:**

- There is a 7<sup>th</sup> grade Science test next Friday the 1<sup>st</sup> of March on Chapter 10
- Reading minutes are now 180 per week, this is a graded assignment. Ms. Montes has informed some students are falling behind.
- There is a Wordly Wise test on chapter 10 on Monday the 25<sup>th</sup> of February

Thank you and God bless

Mr. Orgeron
