From the Fourth Grade Frogs *November 9, 2017*

Dear Families,

Thank you all for your help at the Carnival and with Cookie Dough distribution. The carnival was grand fun, and the cookies are yummy. Thank you.

There is one other activity that could use some help:

PE testing for 5th – 8th graders Nov. 13-16th <http://www.signupgenius.com/go/30e0e48a5ae2fa3f94-fitness>

Spelling: Lesson 9, Long O, will be due November 17th.

Math 7's. We talked in class about how there are only 4 more to learn. 7x7, 7x8, 7x9, (7x10 and 7x11 are easy) and 7x 12! I jokingly told them that because there were so few, we'd have our test on Monday, no one thought that was a good idea ☹.

Social Studies- Passport Test November 30

Bible Lesson this week: God is **Omniscient** Isaiah 40:8

The Lord is the everlasting God, the Creator of the ends of the earth.

He will not grow tired or weary, and his understanding no one can fathom.
