From the Fourth Grade Frogs *December 8, 2017*

Dear Families, Happy last week of school! Due to our field trip today, we didn't take our spelling test or 0-8's math facts test today. I told the kids we will take the tests on Monday. The weather should be nice for our field trip, but please help them remember to dress warmly.

Washington Studies: We are looking at Washington state history, geography, and government this year. As part of that study we are looking at various places in the state of Washington. One long-term assignment for each student is to go to some special place in Washington that they have never visited. It doesn't have to be anything amazing (the top of the Space Needle is too much), but seeing the flying fish at Pike Place Market or the fun sculptures at Percival Landing on the Olympia waterfront would be just right. Of course, there are thousands of wonderful places to see in Washington. The kids will be writing a brief article about where they visited, so make sure they make a note of the 5Ws and H (Who, What, When, Why, Where and How) for the place. Please take some pictures and print one or two for their articles. They will need to visit the place by **May first**. We will write the articles in class.

Spelling: I am sending home the Lesson 12 spelling list today, the test will be December 15^h.

Math 9's (only two new ones: 9x9 , 9x12!!) We will have a 9's test as well as 0-9's on Friday morning.

PE PAC due January 2.

Reading Calendar, with at least 300 minutes, will be due January 2.

PARTY!! We will be having a Christmas Party 1-3 on Friday, December 15. We are decorating cookies, playing a game, watching "The Best Christmas Pageant" and various other things. I sent home a sign-up sheet if you'd like to help with supplies. Please EMAIL if you can send in some of these things for our party.

Upcoming Fieldtrips:

Early February Olympic Junior Program

Mid March Olympic Junior Program

May 11 State Capital- all day- **Chaperones**

Upcoming

12/13 **4th Grade presentation in chapel**
Please plan on coming! 8-8:45 ish

12/14 **CCA's famous Winter Music Program**

Bible: We are learning many names of Jesus in the Bible. The "test" is our presentation in Chapel on December 13. Please plan on coming to chapel to watch your amazing students, 8:00-8:45 ish.

Blessings, Vicki Wilson
