

MARCH 2, 2018

## ALL THE NEWS FROM THE FOURTH GRADE FROGS!

### Notes From Mrs. Pruitt:

**Planner:** Please make sure you are checking and signing your child's planner each day. Planners are checked each morning when the students arrive.

**Spelling: List # 21** This week we will be studying Homophones and Homographs. Please don't forget to turn in Spelling homework each week. Spelling test is on Friday.

**Math:** Long Division test will be on Wednesday, March 7<sup>th</sup>. Math homework is sent home frequently. Please be sure to check over this each evening with your child.

**Reading:** A new March Reading Calendar was sent home today in Friday folders.

### Notes From Mrs. Wilson:

**Visit New Place:** There are nine weekends left for your 4<sup>th</sup> grade student to visit someplace that they have never been before in Washington State. Remember that they must get some information about that place and take at least one picture to put with their report. We will write the report in class, but they need to gather the information at home. Think: 5 W's and an H (who, what, when, why, where and how)

**Passport** New Passport maps went home today. Test 3/29

**Science:** We will begin a study of plants this week. If you have an extra packet of vegetable or flower seeds, last year's seeds are fine, please send them in with your student if you don't need them anymore.
