ALL THE NEWS FROM THE FOURTH GRADE FROGS!

Notes from Mrs. Pruitt: This last semester has flown by, and we are down to our last week of school! I have so enjoyed teaching this group of 4th graders! It has been a blessing and an honor. Wishing you the best of days this summer! ☺ Here is a look at our last week.....

Grammar: Parts of Speech

Reading: Elements of a Story

Writing: Poetry Unit

Math: End-of-Year Review

Spelling: We are all finished! Give yourself a pat on the back for a job well done!

Notes from Mrs. Wilson:

I can't believe it is the end of the year. ☺. It has been a wonderful year and I will miss all of the kiddos and families. Thank you for the loan of your kids, and it has been a great privilege to work with them this year! We will be **sending home the kid's supplies** throughout the week, so please send a bag or two to school on Monday. We are having an end-of-the year party with ice cream sundaes and pizza on Thursday, the 7th. Various kids **volunteered to bring fruit slices or drinks** (I told them NO soda). If you'd like to send either one of those we will just have a potluck with those items. Thank you.

Passport: Yahoo! We are finished and they all did a great job.

Fieldtrips:

We've had fun, but we are done☺.

Summer Fun ideas:

Fort Clatsop Lewis and Clark - It is terrific and located in Oregon; Fort Stevens campground is nearby.

John 3:16-17 *We've been looking at why these are pivotal (central, integral) verses, please ask your student if he or she can explain it.* ☺ For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. ¹⁷ For God did not send his Son into the world to condemn the world, but to save the world through him.
