## Family Stewardship Agreement 2017-18

We strive to provide an educational environment that kindles the curiosity in your child to discover, to think creatively, and to find joy and confidence in relationships with others. Parent involvement is an important aspect of our preschool success and mission.

The goal of the stewardship program is to provide a way for parents (of fulltime students) to have a chance to be involved. It provides a way of organizing help, keeping tuition costs down, and building relationships with other families at school.

Our Family Stewardship Agreement follows these guidelines:

- The stewardship year runs from May to May. This allows families to volunteer during the summer.
- Each family (**fulltime students only**) that chooses to participate in the program is responsible for **20 hours of documented volunteer hours**.
- You must sign an agreement form and turn it in to the Preschool Administrator stating that you have read and understand the commitment of the stewardship program.

Forms are available at the preschool office (reception area) for the purpose of tracking hours. Parents are responsible for listing the hours and activities they served and turning them in to the preschool office.

Any member of your immediate family that is capable of accomplishing reasonable tasks that in some way improve the preschool program or help facilitate the preschools' goals and mission may complete service to the school.

---

### FAMILY STEWARDSHIP AGREEMENT

I/We have read the above information and understand it as outlined. I/We would like to participate in the stewardship program, and understand that we will receive a discount on tuition.
