

Parents or any other family members (i.e. grandparents, aunt or uncle) who are visiting our campus lunchroom or helping the teacher in the classroom or on a field trip, need to fill out a Washington Volunteer Background Check form each year. Anyone working with children must have a background check filled out and provided to the office prior to volunteering or visiting our campus. If you need extra forms, please contact the office or download one from our website. Thank you for your help in supporting our school functions.
